Cathy, the designer, has a great FAQ on her [website](#): 12 DAYS answering some questions that might come up about the automatics. The Shanty Stitchers will follow the guidelines she has outlined.

As soon as the SHANTY STITCHERS receives the automatic from JABC and Hands On Designs, you will receive an automatic shipment from the Shanty Stitchers once a month for 6 months starting in mid January 2017! I have the fabric ordered from Weeks Dye Works as well as plenty of floss ...SO The Shanty Stitchers will have ALL the fixings for a fun project!

You can order as little as the patterns and buttons, to as much as getting a full fledged KIT of fabric, buttons, thread and patterns each month.

Call the Shanty Stitchers: 605-661-4258 or email: [shantystitcher@yahoo.com](mailto:shantystitcher@yahoo.com) or message through the Shanty Stitchers Facebook Page to signup for the Automatic!
